MEMORANDUM

March 8, 2010

TO: Sarpy County Board of Commissioners  
FROM: Duwaine K. Brigman, Landfill Manager  
RE: City of LaVista Clean Up Event

The City of LaVista has provided the landfill with a written request to utilize the Sarpy County Landfill for the free disposal of acceptable waste for land disposal into the landfill resulting from their annual clean up event. The clean up event is scheduled for April 16<sup>th</sup> and April 17<sup>th</sup>, 2010 with haul in dates of April 16<sup>th</sup> and April 17<sup>th</sup>, 2010.

This year the City of LaVista will be transporting the collected materials to the landfill by Waste Management Roll Off Trucks and possibly City of LaVista Trucks.

The City of LaVista estimates twenty (20) 40 yard containers of MSW for free access, They also hope to be able to recycle three (3) 20 yard containers of metal this year.

It is my recommendation to the Sarpy County Board of Commissioners to accept this waste from the City of LaVista's clean up event and to waive the tipping fee requirements for incoming waste generated from this event.

The City of LaVista will be billed for the State surtax of \$1.25 per ton for the waste delivered to the landfill for land disposal.

Respectfully,

  
Duwaine K. Brigman, Landfill Manager
