Re: Addendum to Jail Management System Agreement

Attached is an addendum and resolution revising the support/license fee to commence on September 1, 2013. The language in the original agreement would have the County paying the support/license fee starting November 1, 2012. The support/license commencement date has been extended since the installation of the software took longer than expected.

This addendum has been reviewed by the Sheriff's Office and Fiscal Administration and is recommended for approval. Should you have any questions, please feel free to contact me at bgarber@sarpy.com.
