Re: Authorize Chairman to sign Agreements for School Resource Officers

During the June 5, 2018 Board meeting, I will be asking the Chairman to sign the amendments to the Interlocal Cooperation Agreements with Gretna Public Schools and South Sarpy School District Number 46 to facilitate the School Resource Officer Program. This program has been in place for several years with the objective to ensure the safety and security of students.

The deputies work with the school systems in the education of students and faculty, assist in communication between the district, County, and Sheriff’s Department, and to take appropriate action when situations arise which require the exercise of police authority. Under the terms of the Agreements, the school districts reimburses Sarpy County for one half of the deputy costs. When school is not in session (e.g. summer breaks and holidays) or when needed in emergencies, the deputies perform Sarpy County functions.

Please feel free to contact me with any comments or questions at 593-4476.
