Memorandum

To: County Board
From: Eric Herbert, GIS Coordinator
Subject: Addendum to GIS Interlocal Agreement
Date: June 5, 2018

Attached is an addendum to the current GIS interlocal agreement to include the cost shares associated with the board approved acquisition of countywide digital aerial photography through the Nebraska Iowa Regional Orthophotography Consortium (NIROC) in the spring of 2018 (resolution 2017-444).

MAPA has invoiced the county for the cost of the countywide aerials, $30,900. The cities will reimburse the county for their respective cost shares. This addendum calculates those cost shares based upon the square mileage of each jurisdiction’s area of interest.

Each of the cities has approved the addendum. The NRD also contributes funding for the NIROC projects, but contracts directly with MAPA.

I have placed this agreement on the board agenda for June 12th.

If you have any questions or would like any further details, please contact me at 593-2274.

WHEREAS, the Parties have previously entered into an Interlocal Agreement and First Addendum to said Agreement in order to develop and implement a Geographic Information System (“GIS”); and,

WHEREAS, the Parties are desirous of amending the provisions of said Agreement and First Addendum by this Second Addendum.
