This contract is subject to the standard conditions agreed to in the original application and the signed certified assurances. The Nebraska Commission on Law Enforcement and Criminal Justice (Crime Commission) will disburse funds to the subgrantee provided funds are available from the Legislature. In addition, the subgrantee must comply with the Crime Commission guidelines and the following special conditions:

1. Records Retention

   The Crime Commission shall have access to all project related materials for the purposes of audit and examinations. All records shall be retained for five (5) years from the date of the final fiscal report, unless an audit is in progress or the findings of a completed audit have not been resolved satisfactorily.

2. Audits

   a) All audits will comply with the Single Audit Act of 1984, as amended. Audits for private non-profit agencies shall comply with Circular A-133.

   b) Agencies and organizations receiving federal funds from various sources totaling $750,000 or more during the subgrantee’s fiscal year are required to have an annual audit. Total cost of the audit must be prorated among funding sources. Agencies and organizations receiving federal funds from various sources totaling less than $750,000 during the subgrantee’s fiscal year are not required to have an annual audit. However, a complete agency audit complying with the Single Audit Act of 1984, as amended, is highly recommended once every three years for private non-profit agencies receiving funding from the Crime Commission.

   c) One (1) copy of the audit that includes a letter of findings is required to be submitted to the Crime Commission, if it is not part of the audit.

3. Accounting Procedures

   a) Subgrantees shall implement and maintain an accounting system which accurately reflects income received, expenditures and documentation of expenditures. Each source of income must be accounted for separately and a clear audit trail for each source of funding must be maintained.

   b) Match funds need not be applied at the exact time or in the required proportion to the obligation of state funds. However, the full match share must be obligated by the end of the project period. Accounting records are to be available for monitors and audits.

   c) A private non-profit agency awarded funds shall have two (2) members of the Board of Directors review, on a quarterly basis, all expenditures for the agency. This review shall include, but is not limited to, checks written for the period, deposits, assurance of a balanced checkbook, review of the entries in the agency’s ledgers, and review of the income received from funding agencies and donations.

   d) If at any time an impropriety is found in the accounting or use of any funds received by the subgrantee, the Crime Commission must be notified immediately and informed about how the agency will address the problem.

   e) The subgrantee will maintain time records that comply with the Office of Management and Budget (OMB) A-87 Circular to clearly document the hourly activity of each grant funded or match funded position to show the actual percentage of time charged to the funding source. Records will be maintained by the subgrantee to document any differences between budgeted and actual state and match personnel grant costs. Timesheets for grant funded positions should include the signature of the employee and their supervisor. Refer to OMB circulars: http://www.whitehouse.gov/omb/circulars. If there are additional requirements from the Department of Administrative Services, the Crime Commission will notify subgrantees accordingly.

f) State, county, and tribal guidelines must be followed for the purchase of equipment or services, and for the property...
management or disposal of equipment purchased with state funds. Property records for equipment purchased must be maintained which include a description, serial number, source, title holder, acquisition date, cost, percentage of state dollars funded, location, and use and condition of the equipment. Subgrantees must adhere to written procurement procedures. All contracts that are written must go through a procurement process. Counties must adhere to Nebraska Revised Statute 23-3108. State agencies must follow the procurement process that is governed by DAS: http://das.nebraska.gov/material/purchase bureau/agency-info.html. All other entities must follow their written procurement process and if a procurement process is not in place, then the entity must use Nebraska’s procurement process governed by DAS.

4. **Acceptance of Grant Award and Special Conditions**
   a) **Grant Award** must be accepted; signed by the subgrantee’s authorized official, project director, and fiscal officer; and returned to the Crime Commission within thirty (30) days from the date the grant award is mailed to the subgrantee.
   b) **Special Conditions** must be accepted; signed by the subgrantee’s authorized official, project director, project coordinator, and fiscal officer; and returned to the Crime Commission within thirty (30) days from the date the special conditions are mailed to the subgrantee.
   c) **Contingencies** must be met within thirty (30) days of the date of the memorandum letter that provides final approval from the Crime Commission. Contingencies are located within the summary comment sheet provided to the applicant after the Nebraska Coalition for Juvenile Justice meeting. The process for completing contingencies is outlined within the memorandum letter to each subgrantee that provides final approval from the Crime Commission. Grant funds will not be released until all contingencies are addressed, submitted to the Crime Commission, and approved by the Chief of the Community-based Juvenile Services Aid Division.
   d) Subgrantee agrees to comply with requirements regarding registration with the System for Award Management (SAM) (or with a successor government-wide system officially designated by OMB and OJP), if applicable. The subgrantee must maintain a Data Universal Numbering System (DUNS) number.

5. **Reporting Requirements**
   a) **Data Reports** are required quarterly. Reports are due by the 15th of the month following the end of each quarter during the grant period.
   b) **Cash Reports/Cash Requests** are required quarterly even if grant funds are not received or expenses are not incurred. Reports are due by the 15th of the month following the end of each quarter during the grant period, as well as the final cash report reflecting the total grant expenditures at the end of the grant period. The final cash report must be submitted within forty-five (45) days from the end date of the grant.
   c) **Regardless of the start date of the grant project,** all quarterly reports are due for quarters as listed below:
      
      | Quarter        | Due Date          |
      |----------------|-------------------|
      | Jan – March    | Due April 15th    |
      | April – June   | Due July 15th     |
      | July – Sept    | Due October 15th  |
      | Oct - Dec      | Due January 15th  |

      When the 15th falls on a holiday, Saturday or Sunday, all reports are due the prior working day.
   d) **Subgrant Adjustment Request:** Subgrantees must submit a subgrant adjustment to the Crime Commission when a request occurs to alter the original grant application or contingencies, which includes any of the following alterations: focus or scope of the grant project, personnel listed on the grant project, transfer of dollars among categories which affects awarded dollars and matching dollars, or financial adjustments within the same category. Budget revisions (awarded or matching dollars) are to be made by the subgrantee receiving funds only with prior approval from the Chief of the Community-based Juvenile Services Aid Division, unless otherwise imposed by law.
   e) **State and matching funds** are to be used for the purpose stated in the approved grant application. Alternations must be approved by the Chief of the Community-based Juvenile Services Aid Division, prior to the change taking place through submission of a Subgrant Adjustment Request.

6. **Mandatory Training**
   The subgrantee’s project director, project coordinator, and fiscal officer must attend Grant Management Training hosted by the Crime Commission at least once every three (3) years.

7. **Publications**
   Subgrantee agrees that any publication or publicity (written, visual, or audio) funded in whole or in part with federal or state funds by the Crime Commission will include an acknowledgement of funding that shall contain the following statement: “This project is supported by subgrant No. ___ awarded by the Nebraska Crime Commission and points of view or opinions contained in this document are those of the author and do not necessarily represent the official position or policies of the
Nebraska Crime Commission or the Community-based Juvenile Services Aid Program." A copy of such publicity or publication shall be sent to the Crime Commission.

8. **Non-Discrimination**
   a) The subgrantee assures it and all its contractors will comply with all applicable nondiscrimination requirements as set forth by federal and state laws. No person shall be excluded from participation in, denied the benefits of, subjected to discrimination under, or be denied employment in connection with any activities receiving funds under the Community-based Juvenile Services Aid Program on the basis of race, color, national origin, religion, sex (including pregnancy), disability, or marital status.
   
b) In the event a federal or state court or federal or state administrative agency makes a finding of discrimination after a due process hearing, on the basis of race, color, religion, national origin, or sex against the subgrantee, the subgrantee will forward a copy of the finding to the Office of Civil Rights Compliance of the Office of Justice Programs in Washington, D.C. If required, the subgrantee will formulate an Equal Employment Opportunity Program (EEOP) in accordance with 28 CFR 42.301 et seq.
   
c) In addition to the foregoing, in the event a federal or state court or federal or state administrative agency makes a finding of discrimination after a due process hearing, on the basis of race, color, religion, national origin, or sex against the subgrantee, the subgrantee will forward a copy of the finding to the Nebraska Crime Commission.

15. **Computer Network**
    Subgrantee understands and agrees that funds used to maintain or establish a computer network shall block the viewing, downloading, and exchanging of pornography. This requirement does not limit the use of funds necessary for any federal, state, tribal or local law enforcement agency or any other entity carrying out criminal investigations, prosecution, or adjudication activities.

16. **Text Messaging While Driving**
    Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed.
