1. Baseline Information

The Sarpy County Sheriff's Office is applying for a "Selective Overtime Enforcement Mini-Grant" for the "You Drink & Drive. You Lose Crackdown". The Sarpy County Sheriff's Office would like to conduct several nighttime saturation patrols. Such enforcement efforts would be conducted with the other members of the Sarpy County DUI Task Force (Bellevue Police Department, Papillion Police Department and LaVista Police Department) along with the Nebraska State Patrol.

Recent data provided by the Nebraska Office of Highway Safety (2016) suggest that 29 percent of all fatal crashes involving alcohol occur on the weekends. Data also indicates that the chances of being involved in a fatal alcohol related crash are 4 times greater at night than during the day. Unfortunately, in 2014 Sarpy County experienced two alcohol related fatalities along with nearly 557 arrest for DUI.

2. Selective Overtime Enforcement Objective

The Sarpy County Sheriff's Office, along with other task force agencies are anticipating that their enforcement efforts will lead to an overall reduction in alcohol related crashes throughout the county. The overall objective of the enforcement activities is to reduce the number of impaired driving related traffic accidents by 75% during the enforcement period.

3. Selective Overtime Enforcement Activity

The Sarpy County Sheriff's Office along with its partners in the DUI Task Force plan on several saturation patrols during those peak periods of known alcohol usage. One such known period of increased alcohol usage within the community is Labor Day weekend, which happens to fall within this enforcement period. Using high visibility enforcement will help reduce the number of fatal accidents in Sarpy Count.

COUNTY OF SARPY

4. Selective Overtime Budget

We would like to provide two (2) deputies at a time for the saturation patrols. The hours will be from 2100-0300 which peak are DUI times. The shifts would take place over a period of nine (10) nights. Therefore, the Sheriff’s Office would expect to incur the following personnel cost:

One topped out (night shift) deputy at OT ROP $53.361 FOR SIX HOURS = $320.17 + 9 HOURS SHIFT DIFF $3.60 = $323.77 x 9 days = $2,913.93 + RET $254.97 + SS $222.92 = $3,391.82 x 2 = $6,783.64

One topped out (night shift) deputy at HOLIDAY ROP $89.3935 FOR SIX HOURS = $536.36 + 9 HOURS SHIFT DIFF $3.60 = $539.96 + RET $47.25 + SS $41.31 = $628.52 X 2 = $1,257.04

TOTAL: 8,040.68

5. Impact Evaluation

Through the use of this “DUI Mini-Grant”, the Sarpy County Sheriff’s Office is expecting to reduce the number of alcohol/drug related impaired driver’s that operate on the roadways of Sarpy County. As always, our goal is to reduce the number of fatal and serious accidents that impaired driver’s cause on our roadways.

The Sarpy County Sheriff’s Office sincerely appreciates the assistance your office is providing and we certainly hope to continue with this project and grant request. If you have any questions, please contact me at 402-593-2288.
