RESOLUTION APPROVING AMENDMENT #1 TO THE AGREEMENT WITH AXIOMATIC, LLC FOR CONSULTING SERVICES FOR THE BUSINESS REQUIREMENTS FOR A CAMA AND TREASURER SOFTWARE SYSTEM

WHEREAS, pursuant to Neb. Rev. Stat. §23-104(6), the County has the power to do all acts in relation to the concerns of the County necessary to the exercise of its corporate powers; and,

WHEREAS, pursuant to Neb. Rev. Stat. §23-103, the powers of the County as a body are exercised by the County Board; and,

WHEREAS, the County of Sarpy entered into a consulting services agreement for the development of business requirements for a Computer Aided Mass Appraisal System (CAMA) including a treasurer software system, as outlined in the Agreement attached hereto by Resolution 2017-248; and;

WHEREAS, Amendment #1 to the Agreement with Axiomatic for installation project management services modifies the term to month to month at a rate of $4,847; and,

WHEREAS, said consulting services agreement is for unique, non-competitive and professional services and is in the best interests of the citizens of Sarpy County.

NOW, THEREFORE, BE IT RESOLVED by the Sarpy County Board of Commissioners that this Board hereby approves and adopts Amendment #1 to the consulting services agreement with Axiomatic, LLC for the development of business requirements for a CAMA and treasurer software system, a copy of which is attached.

BE IT FURTHER RESOLVED that the Chairman of this Board, together with the County Clerk is hereby authorized to sign on behalf of this Board Amendment #1 to the consulting services agreement with Axiomatic, LLC, a copy of which is attached, and any other related documents, the same being approved by the Board.

The above resolution was approved by a vote of the Sarpy County Board of Commissioners at a public meeting duly held in accordance with applicable law on the 21st day of August 2018.

Re: CAMA and Treasury System Consulting Services Renewal

On July 25, 2017, the County Board approved an agreement with Thomson Reuters for the implementation of an updated CAMA and Treasury System for the County Assessor and Treasurer. During this same time, the Board approved a project management agreement with Axiomatic. Axiomatic represents the County during the implementation by holding regular meetings with Thomson Reuters, ensuring the project is progressing according to Sarpy County's requirements and generally moves the project forward to meet both deadlines and functionality. Axiomatic's role in managing the workflow, project scope, costs, scheduling and risk has been valuable in the project. Their support for the County and the project along with their familiarity with software systems has set a new benchmark for excellence in IT project management.

The Assessor’s Office, Treasurer’s Office and Information Systems Department recommend renewal of the Axiomatic contract, as Thomson Reuters is still developing the CAMA and treasurer software package. The terms and conditions remain the same with the exception of a rate reduction from $6,806.67 per month to $4,847.00 per month.

Axiomatic provided a software project update. They stated the project is in the configuration and data validation phase. The Assessor and Treasurer’s office are both validating data conversion from T1 to T2 to assess data integrity and quality. Thomson Reuters is currently working on the development of the additional Nebraska Statutory process to manage tax certificate sales, SID's and special assessments. Thomson Reuters has indicated that they are working on a revised schedule that is a direct result of their acknowledgement of being unable to configure the product for Sarpy County within their initial project plan. Sarpy Information Systems Department is currently configuring the existing customer service interfaces (property record card, tax payment, etc.) with T2. Axiomatic remains optimistic that the T2 will be suitable for deployment in late early Q2 of 2019.
