Re: Title I, Part D Funding Agreement

For several years, Sarpy County has been eligible to receive Federal Title I, Part D funding through the Papillion-La Vista Public Schools (PLVPS) for juveniles held in the Holdover Facility. The expected dollar amount for the 2018-2019 grant will be approximately $20,000-$30,000 along with any carryover of unspent funds from 2016-2018. PLVPS will send a final amount once the grant application has been approved.

The attached Resolution and Agreement provide for the transfer of the Title I, Part D funds from (PLVPS). This has been placed on the July 10, 2018 Board agenda for recommended approval. If you have any questions, please feel free to contact me at (402) 593-4476.

4. provide support programs that encourage children and youth who have dropped out of school to reenter school and attain a regular high school diploma once their term at the correctional facility has been completed, or provide such children and youth with the skills necessary to gain employment or seek a regular high school diploma or its recognized equivalent;

5. work to ensure that the correctional facility is staffed with teachers and other qualified staff who are trained to work with children and youth with disabilities taking into consideration the unique needs of such children and youth;

6. ensure that educational programs in the correctional facility are related to assisting students to meet the challenging State academic standards;

7. to the extent possible, use technology to assist in coordinating educational programs between the correctional facility and the community school;

8. where feasible, involve parents in efforts to improve the educational achievement of their children and prevent the further involvement of such children in delinquent activities;

10. coordinate programs operated under this subpart with activities funded under the Juvenile Justice and Delinquency Prevention Act of 1974 and other comparable programs, if applicable;

11. if appropriate, work with local businesses to develop training, curriculum-based youth entrepreneurship education, and mentoring programs for children and youth;
12. Upon the child's or youth's entry into the correctional facility, work with the child's or youth's family members and the local educational agency that most recently provided services to the child or youth (if applicable) to ensure that the relevant and appropriate academic records and plans regarding the continuation of educational services for such child or youth are shared jointly between the correctional facility and local educational agency in order to facilitate the transition of such children and youth between the local educational agency and the correctional facility; and

13. consult with the local educational agency for a period jointly determined necessary by the correctional facility and local educational agency upon discharge from that facility, to coordinate educational services so as to minimize disruption to the child's or youth's achievement.
