Micro-Purchase procedures comprise a sub-set of a Non-Federal entity’s small purchase procedures. The Non-Federal entity uses such procedures in order to expedite the completion of its lowest dollar small purchase transactions and minimize the associated administrative burden and cost. The micro-purchase threshold is set by the Federal Acquisition Regulation at 48CFR, Sub-Part 2.1 (Definitions). It is $3,500, except as otherwise discussed in Sub-Part 2.1 of the regulation, but this threshold is periodically adjusted for inflation.

Should your request come in later (an additional two quarters or more) than the quarterly due date, you will forfeit reimbursement for those goods and services, since they are outside the quarter for their submission.

16. The Sub-Recipient agrees to comply with all Reporting Requirements inclusive of submittal deadlines, and shall provide such information as required to NEMA for reporting as noted in the 2017 Federal Grant Guidelines. The jurisdiction is required to complete and submit the Biannual Strategy Implementation Report (BSIR) each July 15th and January 15th until the end of the grant. The report will include a narrative summary on the projects in each program and program’s progress. A final BSIR is due 90 days after the end of the grant award period. The BSIR is accessed through the online Grant Reporting Tool (GRT) at www.reporting.odp.dhs.gov. Failure to complete the BSIR and/or the EMPG Quarterly Reports is considered non-compliance with the grant guidance, and may result in grant funds being suspended or terminated.

17. Per 2CFR, Chapter I, Part 170: NEMA will send the Sub-Recipient the Federal Funding Accountability and Transparency Act (FFATA) form that must be completed, signed, and returned to NEMA by the date specified in the cover letter to meet the FFATA reporting deadline for the 2017 EMPG grant.

18. NEMA may perform periodic reviews of Sub-Recipient performance of eligible activities and approved projects. These reviews may include, without limitation: performance of on-site visits or desk reviews, compliance and program monitoring – including inspection of all grant related records and items; comparing actual sub-recipient activities to those approved in the sub-award application and subsequent modifications if any; ensuring that advances have been disbursed in accordance with applicable guidelines; confirming compliance with grant assurances; information provided on performance reports and payment requests; needs and threat assessments and strategies.

(a) Temporarily withhold cash payments pending correction of the deficiency by the non-Federal entity or more severe enforcement action by the Federal awarding agency or pass-through entity.

28. The Sub-Recipients are required to provide the Authorized Equipment List (AEL) numbers for all equipment purchased with grant awarded funds. For any item requiring an Environmental & Historic Preservation (EHP) review, payment will not be made if the invoiced date is prior to the EHP approval, or if there is no EHP approval on file.

Sub-Recipients must comply with all conditions placed on the project as the result of the EHP review. Any construction activities that have been initiated without the necessary EHP review and approval will result in a non-compliance finding and will not be eligible for DHS/FEMA funding.
