SARPY COUNTY EMERGENCY DECLARATION

WHEREAS over the past 72 hours the Omaha metropolitan area has experienced repeated incidents of civil disturbances causing damage, injury, and loss of life and property.

WHEREAS pursuant to the Nebraska Emergency Management Act, the County Board Chairman of Sarpy County is authorized to declare a State of Emergency to reduce the vulnerability of people and the community to such damage, injury, and loss of life and property resulting from civil disturbances.

THEREFORE I, Don Kelly, Chairman of the Sarpy County Board of Commissioners, hereby declare that a state of emergency exists within the Sarpy County for the purpose of activating the County's Emergency Operations Plans and exercising all authority granted therein. Pursuant to said plan, I hereby order a curfew from 8:00 p.m. until 6:00 a.m. to be enforced within the portions of Sarpy County that lie outside of municipal boundaries. During the hours of the curfew, no person shall be upon any public street, avenue, boulevard, sidewalk, alley, park or other public place.

No gatherings in excess of twenty-five (25) persons may occur on any public street, avenue, boulevard, sidewalk, alley, park or outdoor place, except persons engaging in recreational activities at a usual and customary place, or peaceably entering or leaving buildings.

This Order shall not apply to law enforcement personnel, fire and medical personnel, members of the media, individuals traveling to or from work, seeking medical attention, or seeking the assistance of law enforcement personnel.

For purposes of this Order, "public place" means any outdoor place or area, whether on privately or publicly owned property, accessible to the general public.

This order shall remain in effect until June 2, 2020, unless renewed, extended, or terminated by subsequent order.

Chair, Sarpy County
Board of Commissioners

WITNESS my hand and the seal of my office
this 1st day of June, 2020.
