Comment:

Assessor's Recommendation:
(please avoid using blank lines)

See Assessor's office Summary Statement
After reviewing the property record, market data, equitable data, and protest filing submission, the assessor does not recommend an adjustment to the current valuation.

Board Final Hearing

Date:

Time:

Referee:

Referee Seen

Revised Value Signed

Referee's Comments:
The taxpayer presented evidence of the damage to the basement from the flood, but did not provide cost to cure estimates or an appraisal that would warrant a change in value.
