Mike,

As we discussed in our phone call, the following issue needs to be addressed in the Hog Haven Replat 1 proposal.

Section 10.4.1 of the Sarpy County Zoning Regulations requires that all accessory buildings maintain a 15 foot side yard and a 15 foot rear yard setback. The proposed property line currently runs through an existing accessory building on the property. This will need to be adjusted in order to receive approval.

Also, I have attached an email that we received from the Sarpy County Public Works Department with a few additional comments regarding the plat.

Please forward all updates to our office at your earliest convenience.

Respectfully,

Donna Lynam
