RESOLUTION ESTABLISHING THE E911 SURCHARGE FOR 2017 FY
SARPY COUNTY, NEBRASKA

WHEREAS, pursuant to Neb. Rev. Stat. §23-104(6), the County has the power to do all acts in relation to the concerns of the County necessary to the exercise of its corporate powers; and,

WHEREAS, pursuant to Neb. Rev. Stat. §23-103, the powers of the County as a body are exercised by the County Board; and

WHEREAS, the Emergency Telephone Communications Systems Act, found at Neb. Rev. Stat. Sec. 86-420 to 86-441.01, requires the County Board to set the rate of service surcharge for E911 to be collected for the coming year by no later than September 1; and,

WHEREAS, the County is obligated to continue the current rate in order to adequately fund the existing operations of the E911 Center.

NOW, THEREFORE, BE IT RESOLVED, By the Sarpy County Board of Commissioners that the E911 Service Surcharge as allowed under Neb. Rev. Stat. Sec. 86-420 to 86-441.01 commencing January 1, 2017, will continue to be in the amount of $1.00 per month on each telephone number or functional equivalent service user, to the full extent authorized by Neb. Rev. Stat. Sec. 86-435(1) and (2).

Re: Certification of E911 Surcharge

We are required by the law to recertify our E911 surcharge by September 1 of each year. The attached resolution will retain the rate at $1.00 per month per line, which is the maximum allowed by law. This fee will bring in around $550,000 out of total budget requirements of approximately $4,493,210. After subtracting cash on hand and other revenues, the remaining $3,686,489 will come from contributions from the County and the cities.
