RE: SID No. 225 of Sarpy County, Nebraska
2016 No Parking Zone

Mr. Czerwinski:

Sarpy County Public Works has reviewed the plans for the above referenced project for SID No. 225 of Sarpy County. Our review indicates that the plans, if followed, will meet the minimum standard requirements as specified in the 2003 3rd Edition of the City of Omaha Standard Specifications for Public Works Construction, which is acceptable to the Sarpy County Public Works Department. Public Works will recommend approval of the project to the Sarpy County Board of Commissioners.

If you find it necessary to revise the proposed design, please submit changes for our further consideration.

Sincerely,

Dennis L. Wilson, P.E., PhD
Sarpy County Engineer

Re: SID 225, Giles Ridge, No Parking One Side of Robin Drive

Mr. Kosa:

Attached you will find a plan for the proposed No Parking along Robin Drive and 155th Avenue, located within SID 225. Our office has received numerous complaints about cars parking on the curve from Robin Drive onto 155th Avenue. This is causing a hazardous driving situation by limiting the visibility of oncoming traffic. We have also had complaints that school buses are unable to make this turn while cars are parked in this location. With the added signage, it will allow drivers to see oncoming traffic more easily and create an easier turn for school buses.

If you have any questions, please contact me at 402-895-4700

Thank You
