1. **Baseline Information**

   The Sarpy County Sheriff’s Office is applying for a “Selective Overtime Enforcement Mini-Grant” for the “You Drink & Drive. You Lose Crackdown”. The Sarpy County Sheriff’s Office would like to take a two-pronged approach to this crackdown by taking part in a weekend DUI checkpoint along with conducting several nighttime saturation patrols. Such enforcement efforts would be conducted with the other members of the Sarpy County DUI Task Force (Bellevue Police Department, Papillion Police Department and LaVista Police Department) along with the Nebraska State Patrol.

   Recent data provided by the Nebraska Office of Highway Safety (2016) suggest that 29 percent of all fatal crashes involving alcohol occur on the weekends. Data also indicates that the chances of being involved in a fatal alcohol related crash are 4 times greater at night than during the day. Unfortunately, in 2014 Sarpy County experienced 2 alcohol related fatalities along with nearly 557 arrest for DUI.

2. **Selective Overtime Enforcement Objective**

   The Sarpy County Sheriff’s Office, along with other task force agencies are anticipating that their enforcement efforts will lead to an overall reduction in alcohol related crashes throughout the county. The overall objective of the enforcement activities is to reduce the number of impaired driving related traffic accidents by 75% during the enforcement period.

3. **Selective Overtime Enforcement Activity**

   The Sarpy County Sheriff’s Office along with its partners in the DUI Task Force plan on conducting a DUI checkpoint and several saturation patrols during those peak periods of known alcohol usage. One such known period of increased alcohol usage within the community is Labor Day, which happens to fall within this enforcement period.
4. **Selective Overtime Budget**

As for the task force DUI checkpoint the Sarpy County Sheriff's Office would like to provide one (1) supervisor and five (5) deputies for six (6) hours each. One (1) of the five (5) deputies working this activity would be assigned to the Sarpy County Jail to assist with the expected influx of checkpoint related prisoners. We would also like to provide one (1) jail booking clerk for nine (9) hours. The overtime costs for the checkpoint activity would be as follows:

1 Sgt.@ OT rate of $61.0362 x 6 hrs. x 1 night = $366.22 + SD $2.40 = $368.62 + ret $32.25 + SS $28.16 = $429.03

1 Book Clerk @ OT rate of $35.778 X 9 hrs. = $322.00 + ret $21.74 + SS $24.63 = $368.37

5 Deputies x OT rate of $50.8036 = $254.02 x 6 hrs. x 1 night = $1,524.12 + SD $12.00 = $1,536.12 + RET $134.41 + SS $117.51 = $1,788.04

Furthermore, we would like to provide two (2) deputies at a time for the saturation patrols. The deputies would each work six (6) hour shifts. The shifts would take place over a period of four (4) nights. Therefore, the Sheriff's Office would expect to incur the following personnel cost:

2 Deputies x OT rate of $50.8036 = $101.61 x 6 hrs. x 4 days = $2,438.64 + ret $213.38 + SS $186.56 = $2,838.58

Therefore, the grand totals are: $4,665.38 + RET $401.78 + SS $356.86 = **$5,424.02**

5. **Impact Evaluation**

Through the use of this "DUI Mini-Grant", the Sarpy County Sheriff's Office is expecting to reduce the number of alcohol/drug related impaired driver's that operate on the roadways of Sarpy County during both the periods of the enforcement activities and in the future. As always, our goal is to reduce the number of fatal and serious accidents that impaired driver's cause on our roadways.

The Sarpy County Sheriff's Office sincerely appreciates the assistance your office is providing and we certainly hope to continue with this project and grant request. If you have any questions, please contact me at 402-593-4330.

Respectfully,
