BOARD OF COUNTY COMMISSIONERS SARPY COUNTY, NEBRASKA

RESOLUTION APPROVING ADOPTION OF THE CITIES' FUTURE GROWTH AND DEVELOPMENT AREA MAP

WHEREAS, pursuant to Neb. Rev. Stat. § 23-104, the County has the power to do all acts in relation to the concerns of the County necessary to the exercise of its corporate powers; and,

WHEREAS, pursuant to Neb. Rev. Stat. § 23-103, the powers of the County as a body are exercised by the County Board; and,

WHEREAS, Sarpy County operates a sanitary sewer system pursuant to the County Industrial Sewer Act, found at Neb. Rev. Stat. §23-3601, et seq. (hereinafter “the Act”) and,

WHEREAS, pursuant to the requirements of the Act, Sarpy County adopted a map showing the Sarpy County cities’ future growth and development (Resolution at Book 19, Page 477 on January 31, 1995); and,

WHEREAS, the future anticipated growth of commerce and industry within Sarpy County require the County to consider revision to the map adopted in 1995; and,

NOW, THEREFORE, BE IT RESOLVED by the Sarpy County Board of Commissioners that this Board makes the following findings of fact:

(1) The City of Papillion, the City of Springfield and Sarpy County have entered into a Boundary Agreement which designates the boundaries of growth for the City of Papillion and the City of Springfield in order to provide services and facilities in a manner and pursuant to forms of governmental organization that will best accord the growth and land development patterns and the geographic, economic, and population growth factors influencing the needs of the respective communities. Additionally, the Boundary Agreement calls for Sarpy County to amend the map which designates the future growth and development.

(2) The County Board of Commissioners adopted a map designating and delineating areas of future growth and development of the cities and villages in Sarpy County via the Resolution at Book 19, Page 477 on January 31, 1995.

(3) The Cities’ Future Growth and Development Map attached hereto and incorporated herein by reference designates and delineates the revised boundaries of the area of future growth and development of the city or village which would, based upon the factors outlined above, be the most likely city or village to first assume jurisdiction over such territory for zoning and platting purposes.
NOW, THEREFORE, BE IT RESOLVED by the Sarpy County Board of Commissioners that this Board formally adopts the Cities’ Future Growth and Development Map attached hereto, which map designates and delineates the boundaries of the area of future growth and development of the city or village which would, based upon the above described factors, be the most likely city or village to first assume jurisdiction over such territory for zoning and platting purposes, subject to the following condition:

(1) If the Boundary Agreement set out at Resolution 2016-\text{360} has not been approved by the City of Papillion and the City of Springfield on October 4, 2016, Sarpy County’s approval of this Resolution 2016-\text{361} shall be void without further action by Sarpy County.

The above Resolution was approved by a vote of the Sarpy County Board of Commissioners at a public meeting duly held in accordance with applicable law on the \text{4th} day of October, 2016.

Attest

Sarpy County Board Chairman

County Clerk
