MEMORANDUM

TO: Sarpy County Board of Commissioners

FROM: Dennis L. Wilson., P.E., PhD, Sarpy County Engineer

DATE: November 2, 2016

SUBJECT: Resolution Authorizing Establishment of Speed Limit of 35 Miles per Hour on Cornhusker Road, From Prairie Queen Recreation Area to 120th Street

I recommend approval of the resolution to establish a speed limit of 35 miles per hour on the road identified above and as graphically shown in attached Exhibit A. This portion of Cornhusker Road currently has no speed limit established other than the 50 mile-per-hour speed limit in place by Nebraska Statute 60-6186 for all non-dustless surfaces. This roadway was recently reconstructed and paved to meet current roadway design standards. As designed, the identified posted speed limit for this roadway is 35 miles per hour. This recommendation is made with the following expectations:

a) Sarpy County Public Works Department will place regulatory signs establishing the speed limits in accordance with the Manual on Uniform Traffic Control Devices.

b) Sarpy County Public Works Department will notify the Sarpy County Sheriff’s Department immediately after speed limit signage is placed.

If you have any questions, please give me a call at 537-6908.
