RESOLUTION AUTHORIZING "STOP" SIGNS AT AN INTERSECTION OF SOUTH 42ND STREET AND RAYNOR PARKWAY

WHEREAS, pursuant to Neb. Rev. Stat. 23-104(6), the County has the power to do all acts in relation to the concerns of the County necessary to the exercise of its corporate powers; and,

WHEREAS, pursuant to Neb. Rev. Stat. 23-103, the powers of the County as a body are exercised by the County Board; and,

WHEREAS, pursuant to Neb. Rev. Stat. Sect. 60-680, the County Board may regulate stopping, standing or parking with respect to roads under its jurisdiction; and,

WHEREAS, a location plan identified as Exhibit A showing the placement of "Stop" Signs at the intersection of south 42nd Street and Raynor Parkway has been created by the Sarpy County Public Works Department; and,

WHEREAS, the County Engineer recommends that "Stop" Signs be placed as shown on the attached Exhibit A is in the best interests of the citizens of Sarpy County, Nebraska.

NOW THEREFORE, BE IT RESOLVED by the Sarpy County Board of Commissioners that the recommendation of the County Engineer for placing of the "Stop" Signs at the intersection of south 42nd Street and Raynor Parkway, as shown on Exhibit A, is hereby accepted and approved.

BE IT FURTHER RESOLVED that Sarpy County Public Works Department shall take such steps to post appropriate signs according to the Manual on Uniform Traffic Control Devices at the locations as indicated on the location plan attached hereto as Exhibit A.

The above Resolution was approved by a vote of the Sarpy County Board of Commissioners at a public meeting duly held in accordance with the applicable law on the 24th day of November, 2016.

MEMORANDUM

TO: Sarpy County Board of Commissioners
FROM: Dennis L. Wilson, P.E., PhD, Sarpy County Engineer
DATE: November 2, 2016
SUBJECT: Resolution Authorizing Additional Stop Signs and Supplemental Plaques at S 42nd Street and Raynor Parkway to Convert Intersection to an All Way Stop Condition

I recommend approval of the resolution to install two additional “STOP” signs and four “ALL WAY” supplemental plaques at S 42nd Street and Raynor Parkway as shown in Exhibit A with the following expectations:

a) Sarpy County Public Works Department will place these regulatory signs in accordance with the Manual on Uniform Traffic Control Devices.

b) Sarpy County Public Works Department will notify the Sarpy County Sheriff’s Department of the change that will take place.

Sarpy County Public Works identified this intersection as needing “All Way” stop-control after investigating limited a sight distance issue identified by a concerned citizen. The intersection previously operated as a three-leg intersection, but the recent construction of Brook Drive created the fourth leg of the intersection. The new leg of the intersection has inadequate sight distance to the east due to the existing bridge railing. Improving the intersection to an “All Way” stop will eliminate the substandard sight distance and thus improve safety at the intersection, as westbound vehicles will be required to stop rather than travel through the intersection without stopping.

If you have any questions, please give me a call at 537-6908.
Exhibit A - Revise Intersection to All-Way Stop, 42nd St and Raynor Pkwy
