MEMORANDUM

TO: Sarpy County Board of Commissioners  
FROM: Dennis L. Wilson, P.E., PhD, Sarpy County Engineer  
DATE: February 26, 2016  
SUBJECT: Resolution Authorizing Expansion of South 192nd Street School Zone

I recommend approval of the resolution to expand the existing school zone adjacent to Reeder Elementary to the south to include roadway adjacent to Whitetail Creek Elementary as shown in Exhibit A with the following expectation.

a) Sarpy County Public Works Department will place regulatory signage in accordance with the Manual on Uniform Traffic Control Devices.

b) Sarpy County Public Works Department will notify the Sarpy County Sheriff’s Department of the change that will take place.

Work will include revising school zone signage so that motorists will understand the expanded school zone. Also, “END SCHOOL ZONE” signage will be placed at each end so that motorists will be informed when exiting the school zone.

These traffic revisions were based on recommendations from a traffic study of the 192nd Street corridor to determine how best to manage vehicular traffic adjacent to Reeder and Whitetail Creek Elementary schools.
